Message from the President

Greetings members and friends,

Our East Texas Chapter has been working hard to bring you the programs and information you want. We have a very good program for this month and I encourage all of you to attend. Remember an RSVP is important so we know how many seats to have ready.

Now that the new year is in full swing, let's concentrate on some education. We need to know what you are interested in for education. We don't see very many of our members on a regular basis but we know there are things you are wanting from your chapter. Please don't be bashful. Send us an email or call. We value your input. You are the customer. You have purchased your membership. Now tell us what you want for your money.

Remember, Basics of Supply Chain Management class is scheduled to begin in early March.

Regards,
 Larry Pascoe, CPIM, C.P.M
 President East Texas Chapter

Please do provide us with your feed back.

Recognized throughout the world as the leading authority on integrated resource management for industry

APICS brings new dimension to your career through its many educational programs, including its industry-essential certifications. Join APICS today!

Membership Benefits

Members in Career Transition

APICS membership is a golden lifeline to members who are experiencing a career transition. Members in transition rely on their connection with APICS as a solid means to stay current within their profession.

Opportunities to Assist with Career Planning

APICS East Texas Chapter has linked our Job Board to the corporate [APICS Career Center](#). The APICS Career Center is an online resource for operations management and supply chain management professionals. It features hundreds of operations and supply chain positions with leading employers at every level of the organization.

The APICS Career Center has expanded beyond the typical job board and provides valuable tools, resources, and networking.

Opportunities to Strengthen Personal and Professional Development

The pursuit of an APICS certification equips members with a vast amount of knowledge on leading trends and practices within the industry. According to a recent survey, APICS certification designees earn nine percent more than their colleagues without [APICS certification](#). Members who are in transition can wisely use this time to seek ways to advance their personal development.

Opportunities to Stay Connected

Members in career transition may need assistance with their membership dues. Any unemployed APICS member whose membership is up for renewal and is actively seeking employment within the production and inventory management field, may apply for an extension of membership benefits through the Unemployed Membership Extension Application. Contact us for help.

Chapter Events

Professional Development Meetings

How do you get a job? Almost 80% of the time, it's who you know. In good times and bad, one thing that hasn't changed is the fact that a majority of people still get new positions...and get them faster...through networking.

Education

CPIM

Look for registration materials and sign up forms for Certification for Production and Inventory Management classes to begin in Feb, 2009. CPIM Modules include:

- Basics of Supply Chain Management
- Master Planning of Resources
- Detailed Scheduling and Planning
- Execution and Control of Operations
- Strategic Management of Resources

Module 1: Basics of Supply Chain Management covers the basic concepts in managing the flow of materials in the supply chain. In BSCM, you get a complete overview of material flow, from internal and external suppliers to and from your organization. We will meet twice-a-week for 5 weeks. Topics include:

- Elements of the Supply Chain
- Just-in-Time (JIT)
- Total Quality Management (TQM)
- Manufacturing Resources Planning (MRP II)
- Demand Planning
- Capacity Management

For more information, contact Larry Pascoe at president@apicseasttexas.org.

Classes start soon so sign up now!

Networking is the practice of creating relationships, informal and social, that are advantageous to you in your job hunt or business career.

Our monthly PDM for February will be an interactive session on Speed Networking. It will be a fun look at the elements of networking, marketing yourself and putting it into practice. Please meet with us Tuesday, Feb 17 at 6:30pm at Johnny Caces Seafood and Steakhouse, 1501 E. Marshall Ave in Longview. Maps will be available on the website tomorrow.
